

# SIDHO-KANHO-BIRSHA UNIVERSITY

Introduces

## INTEGRATED BSc & MSc COURSE IN PSYCHOLOGY

### Subject: Psychology

If your mind is often boggled by the way our brain processes information, how we learn, why we forget, how we think, why we feel, why people react the way they do, etc.; then your quest is likely to be answered by Psychology. Psychology is a science that helps us understand, describe and predict human (and animal) behaviours. It also explains cognitive processes, affective states, experiences and states of consciousness.

### Course Pattern

**Semester system following Choice Based Credit System (CBCS)**
